

Where Does our Funding Come From?

WSFP is a Registered Canadian Charity and we strive to receive the majority of our funding from outside sources. The funding we receive from the Provincial and Municipal government covers slightly more than half the cost of our Play and Learn Family Drop-in and Parent Education Programs.

For this reason, WSFP asks that all participants become members of our society for \$40 per year and pay a \$2 drop-in fee. Complimentary memberships and drop-in tickets are provided to any families who need them.

Please speak to any of our staff about becoming a WSFP member.
